Commissioner for Patents

This letter is in response to applicant papers filed on 11/16/05. The requirement of a new oath or declaration in the Notice of Allowance mailed 11/14/05 because no reference was made to the provisional application was erroneous. As noted in applicant's response of 11/16/05, reference to a provisional application is not required in the original oath or declaration. Applicant's claim for domestic priority has been met by the inclusion of the first paragraph in the original specification which claims domestic priority under 35 USC 119(e).
